

Writtle Gardens Open Day 2013

The Friends of Writtle Parish Church 'Midsummer Festival' 22nd-23rd June 2013

Would you like to participate?

On the last Writtle Gardens Open Day in 2010 we featured 17 village gardens and raised nearly £3,000 towards maintaining the fabric of our local church. To ensure the ongoing success of this event we are always looking for new gardens to include in the programme.

Do YOU have an interesting or unusual garden? If so, why not contact us for a chat. You do not need to have a large garden or be an expert to take part. Please call one of the event organisers below if you would like more information.
