

Restrictions to Hylands during 2011

Please find below details of grounds work and events that may have some effect on your use of Hylands this year:

Reinstatement works across the park were completed in early November 2010 and some reseeding will again be considered in early spring.

Installation of a sewage main to connect Hylands House, Visitor Centre and Writtle End toilets to the public sewer. Works will cause restrictions to the House car park but should be completed by late Spring 2011

The Hylands Horses will be grazing at Hylands in a new paddock area. It is anticipated that the paddock will be installed by mid-March and that the horses will start grazing by the end of April.

The following events have an expected attendance of 500+ and may therefore impact on visitors to Hylands:

9th April 2011: Family Fun Day around the new play area; Writtle car park will be very busy

11th June 2011: Scout event. Areas: front and back lawns, House will be closed to public
